
Internet Explorer Problems

Posted by worsin - 2008/03/06 06:15

In IE7 it simply wont load.

Here is a link to the site

http://dmtpublishing.com/index.php?option=com_content&task=view&id=13&Itemid=36

Any help is appreciated. wouldnt mind buying if i can get it to work in IE so far though its a no go.
