
Moolet Recent Visitors

Posted by airnikez - 2007/10/01 17:53

after installing this module, all i'm seeing is the moolet logo and constantly loading. same result in firefox and IE. I also changed from ajax get to post and didn't change. please help!

this is a great module!

thanks for the great work!

you need to publish the module to a page on your site and send me the URL if I am to help,

thanks

Hi Brian,

same result on my page; I use this as a registered module so only online users will be able to see who's online - well, that's the idea. I can't get it to work. It keeps on saying 'loading...' no matter if I choose ajax get or ajax post.

My site is www.getconnected.nl

I could not see the moolet nor could I find the registration button due to my language limitations.

Can you create one lone page somewhere that is not password protected, publish the moolet to that page and send me that link please

thanks

Thanks for the quick reply, I changed the module to public so you should be able to see it now.

Edit: now I've changed it to 'public' and the 'Loading' text is shortly visible, then it disappears.

Hey rylan01,

When the cursor disappears the moolet is usually working. I noticed you have not tweaked the CSS to fit your template and I see one thing, the module is in horizontal mode in a vertical position as I see this in the source

moolet_online_lite_h_frame

should be

moolet_online_lite_v_frame

set the module to be vertical and ping me back please

thanks

Module is now vertical, but how do I tweak the CSS? What settings should I change?

I could not tell, it was missing again for me to see it with the change.

I'm using joomlart - ja xenia II template and the moolet logo keeps on loading and that's it. below is the html code from the site. i copied the module that has the moolet.

Recent Visitors

```
window.addEvent('load', function(){
var mySlide = new Fx.Slide('moolet_recent_visitors_frame',{wait:false, duration: 1500,
transition:Fx.Transitions.Bounce.easeOut, mode:'vertical'});
var url =
'modules/mod_moolet_recent_visitors/mod_moolet_recent_visitors.inc.php?passon=1&mod_folder=modules/mod_moolet
_recent_visitors&enable_jslib=0&user_limit=5&name_link=1&order_by=0&format&avatar_width=30&avatar_height=40&
avatar_image_path=/images/comprofiler/&avatar_image_none=/components/com_comprofiler/plugin/language/default_la
nguage/images/nophoto.jpg&avatar_image_pending=/components/com_comprofiler/plugin/language/default_language/im
ages/pendphoto.jpg&nobody_text=Nobody&refresh_secs=30&away_fade&show_away_text=&away_text=&away_secs=&
item_format=0';
mySlide.hide();
mySlide.slideOut().chain(function(){
new Ajax(url, {method: 'post', update: $(''moolet_recent_visitors_frame'), onComplete: function()
{mySlide.slideIn()}}).request();
}).chain(function(el) {
if (0 != 0) {
if (0 == 1) {
$$('div#moolet_recent_visitors_avatar img').each(function(e){
var fade_1 = new Fx.Style(e, 'opacity', {duration: 1500}, {wait:false}).start(.6);
e.addEvent('mouseover', function(){
fade_1.start(.9);
});
e.addEvent('mouseout', function(){
```

```
fade_1.start(.6);
});
});
};
};
});
var url =
'modules/mod_moolet_recent_visitors/mod_moolet_recent_visitors.inc.php?passon=1&mod_folder=modules/mod_moolet
_recent_visitors&enable_jslib=0&user_limit=5&name_link=1&order_by=0&_format&avatar_width=30&avatar_height=40&
avatar_image_path=/images/comprofiler/&avatar_image_none=/components/com_comprofiler/plugin/language/default_la

if (0 != 0) {
var xhr = new Ajax(url, {method: 'post', update: $('moolet_recent_visitors_frame'), onComplete: function()
{processEffect()}});
var moolet_recent_visitors_frame = xhr.request.periodical(30000, xhr);
function processEffect(){
if (0 == 1) {
$$('div#moolet_recent_visitors_avatar img').each(function(e){
var fade_2 = new Fx.Style(e, 'opacity', {duration: 1500}, {wait:false}).start(.6);
e.addEvent('mouseover', function(){
fade_2.start(.9);
});
e.addEvent('mouseout', function(){
fade_2.start(.6);
});
});
});
};
};
} else {
var xhr = new Ajax(url, {method: 'post', update: $('moolet_recent_visitors_frame')});
var moolet_recent_visitors_frame = xhr.request.periodical(30000, xhr);
};
});
