
error install mod_moolet_total_users_1.0.1

Posted by actros81 - 2007/08/13 18:03

I try to install mod_moolet_total_users_1.0.1, but I don't do it because in the package there are 2 different name of file

mod_moolet_total_users.php
mod_moolet_online.xml

=====

I mucked up version 1.0.1, and am now up to version 1.0.4.
give that one a whirl

brian
